RE: DA2020/0484 - 7335 / 1152473 Hakea Avenue FRENCHS FOREST NSW 2086

Previously, a buffer of thick bush and full grown trees screened residents of Hakea Ave from the sight of graves in the Frenchs Forest Cemetery. Now that this buffer has been removed, these graves are in full view with the projected addition of traffic and noise. Please make sure that this buffer is fully restored as quickly as possible so that owners and tenants in Hakea Ave can peacefully enjoy the beautiful place where they live.
