Dear Council,

**DA 2020/1287  
58 Forest Way Frenchs Forest NSW 2086**

We would like to object to DA 2020/1287. Our main objections are:

- the bulk and height of the development – it doesn't look very attractive from the street
- loss of all the beautiful native trees along the front of the property
- lack of parking – we visit family in the area and find it difficult to get parking in Adams Street. This development will just make the problem worse. We are 86 and 90 years old and sometimes have to park a long distance away.

Yours sincerely  
Laurence & Marjorie Perrins
