**CERTIFYING AUTHORITY SERVICE AGREEMENT - 2012 - FOR  
CONSTRUCTION CERTIFICATE &/OR PCA APPOINTMENT OR COMPLYING  
DEVELOPMENT CERTIFICATE &/OR PCA APPOINTMENT**

*Environmental Planning and Assessment Act 1979 ('the Act') & Environmental Planning and Assessment Regulation 2000 ('the Regulation')*

**TERMS AND CONDITIONS**

This document is a Service Agreement between Tom Bowden / Heath McNab (*Accredited Certifier*) of **Insight Building Certifiers Pty Ltd** ('Insight') and the 'client'. For the purposes of this Service Agreement, 'the client' is defined to be the person having signed the *Insight Construction Certificate Application (CCA)* or *Complying Development Certificate Application (CDCA) / PCA Appointment Application Form*.

**CONSTRUCTION CERTIFICATE APPLICATION ('CCA') OR COMPLYING DEVELOPMENT CERTIFICATE APPLICATION ('CDCA')**

All required documents for a CCA or CDCA shall be provided by the client in a format that readily and clearly demonstrates compliance with the relevant Development Consent conditions ('DA') (CCA only), statutory requirements and the deemed-to-satisfy provisions of the BCA. It is outside the scope of work set out in the *Fee Proposal* and this Service Agreement for the Accredited Certifier ('AC') to prepare and/or co-ordinate plans/documents on the client's behalf. Investigation of the detailed requirements of Australian Standards referenced in the deemed-to-satisfy provisions of the BCA and/or the DA is outside the scope of work under this Service Agreement. Certification and/or advice from the client's specialist consultants may be required in relation to those requirements.

The AC will not act as a co-ordinator for or on behalf of the client. ACs issuing Part 4A Certificates (including a CC or CDC) for a development are not permitted to provide design advice under Cl.109ZG of the Act. ACs are public authorities and are not consultants.

The CCA or CDCA assessment fee is based on the AC's experience on reasonable assessment/time required on similar projects and should be adequate. Should the allowed assessment time be exceeded then an additional fee may be imposed. However, prior to carrying out such additional assessment, the AC will advise the client in writing before proceeding further, and obtain agreement.

The client/applicant may withdraw the submitted CCA or CDCA at any time prior to the AC's determination of the application, provided notice of such withdrawal is made in writing to the AC. The AC may refund to the client all, part, or none of the paid CCA or CDCA assessment fee, dependent upon the time and resources expended by the AC and Insight on the CCA or CDCA up until the time of receipt of such written withdrawal notice. The Act prescribes that a CCA or CDCA cannot be cancelled or withdrawn once it has been determined by an AC. If not withdrawn earlier, applications that do not comply with (or that are not amended to comply with) relevant DA conditions (if applicable), statutory requirements and/or the deemed-to-satisfy provisions of the BCA, may be determined by refusal.
