RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084

As a direct neighbour to the property in Myoora Road I have strong concerns for safety on my street with the heavy traffic movement, especially trucks that this development will bring. The site's exit is in a school zone directly opposite Terrey Hills Public School where young children are being dropped off and picked up. My own 5 year old grandson will be crossing this road directly next to the site to attend school next year. Myoora Road is the major bus route for all bus services in the area and bus movement is already heavily compromised with trucks and cars parked along both sides of the street, trucks exiting the proposed development will further stress this situation. Trucks travelling west will have to use the whole of Myoora Road to exit as there is no right turn back on to Mona Vale Road from Cooyong Road. Myoora Road is already so heavily congested and I frequently witness dangerous traffic situations outside my house. Please do not allow access on Myoora Road.
