MRS Samantha Page
- 12 Lowanna ST
Belrose NSW

RE: DA2022/0932 - 146 Forest Way BELROSE NSW 2085

I and my family are in support of this proposal. The proposed area will be beneficial to many family's in the Belrose and surrounding areas. There is a definite lack of similar facilities in the area, which I believe council has already identified. This facility is needed and should be encouraged.

Regards
Samantha
