RE: DA2020/1063 - 2 / 0 Bennett Street CURL CURL NSW 2096

I don't think there has been any consideration for local residents and taking submissions from people who don't even live in the same LGA is unjust.

I am shocked that Northern Beaches Council can even justify the proposal, no proper assessments to light and noise pollution have been made and no traffic and parking assessments have been made, it is a residential area and there are several playing fields with lighting that are sufficient for evening sports, why do taxpayers have to spend more money on something that already exists?

Strongly oppose and object the proposal for lighting
