**RE: DA2021/1207 - 4 / 180 South Creek Road WHEELER HEIGHTS NSW 2097**

Hi Thomas,

We have recently received an new development proposal for the bar/restaurant which is going in across the road from our home.

The hours of trade are now requested to be 6am to 10pm 7 days a week which is a change from the last request of 10am to midnight. These hours are still very long and having the venue open 7 days a week means no break for local residents from the noise and disturbance. I am sure that as much as possible the business operator will attempt to limit the noise made by patrons, the fact is that people sitting outside and leaving the venue late at night 7 days a week will have an impact on us.

Kind Regards,  
Libby
