RE: DA2021/2635 - 12 Kanimbla Crescent BILGOLA PLATEAU NSW 2107

Dear Assessing Officer,

Thank you for the opportunity to identify issues of concern for the proposed additions to 12 Kanimbla Crescent, Bilgola. DA2021/2635. My objection is with the width of the proposed new first storey front verandah on the grounds of impact to amenity, both privacy and loss of sunlight as the shadow diagrams show. Our master bedroom and living areas in particular our front verandah where a lot of time is spent would be impacted both with loss of privacy and loss of northern sunlight to the windows and house and garden. We request that this submission is not made publicly available on council's website. Thank you. Kind regards, Wendy Adams
