RE: DA2020/0332 - 4 Dareen Street BEACON HILL NSW 2100

Dear officer,
regarding the development application of 4 Darren street Beacon Hill, I(LIN PN) Lived in 9 Dareen street was strongly disagreed, the height of the house will be 8.3m higher and totally block the views from ground floor and 2nd floor balconies! Please re-assessment the development application with current Development plan!

regards
