RE: DA2023/0976 - 20 - 22 Macpherson Street WARRIEWOOD NSW 2102

The northern beaches need infrastructure like schools, hospitals and roads for travelling , People need access to nurseries. The roads at the back of Warriewood are already congested and very badly designed driving on these roads is like being a crash test dummy, in a bus [REDACTED] it is worse. The upgrades promised for Mona Vale road is not adequate. There have been more accidents on the road since the start of the upgrade than ever before.
