RE: DA2021/1124 - 592 Pittwater Road NORTH MANLY NSW 2100

Thank you, I appreciate the opportunity to submit feedback re DA 2021/1124 - the proposed development and unauthorised work at 592 Pittwater Rd North Manly.

The new small house in the backyard has a negative impact on at least three neighbouring homes. The small house has been used as a habitat.

The new front fence is a safety hazard. It would be very difficult to see pedestrians and cyclists on the council cycle/foot path when driving out the driveway.
