The Principal Certifying Authority  
C/- Secure Parking  
Level 13, 100 Miller Street  
NORTH SYDNEY NSW 2060

Dear Sir,

**RE: SECURE PARKING AT MANLY WHARF BASEMENT – STRUCTURAL CERTIFICATE**

As requested we have carried out inspections of the boom gates and attendant booth installed in the basement carpark of Manly Wharf as indicated in the attached photographs 1 and 2 and shown in red on the attached drawing number 50755, prepared by Realserve.

The boom gates and the modular attendant booth are proprietary items installed to the manufacturers' specifications. We certify that the installation of the boom gates and the booth have not compromised the structural integrity of the concrete floor slabs upon which they are supported.

This certification shall not be construed as relieving any other party of their responsibilities, liabilities or contractual obligations.

**Yours faithfully,**  
**Woolacotts Consulting Engineers**

A handwritten signature in blue ink, appearing to read "Scott Clemmett".
