RE: DA2020/0790 - 6 Captain Hunter Road BAYVIEW NSW 2104

The new application for a pool and extensions at 6 Captain Hunter Road is an elegant solution to the applicant's need for more living space and a better pool.

There will be no detriment to the local amenity in Captain Hunter Road from the finished works and we have no objections to make.

We ask that all care is taken to make sure that the extensive building works are as seamless and unobtrusive as possible.
