[REDACTED]

**RE: DA2024/1295 - 7 Crane Lodge Place PALM BEACH NSW 2108**

Hi

As there are 25 vehicles west of the subject property that can use the right of way in front of the subject property (along with daily visiting vans and utes) is there provision for undisturbed access to properties during the development?

Is there provision for restoration of any damage to the private driveway ramp leading up from the Crane Lodge Place cul de sac?

With thanks.  
Alan Bertram
