**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

So many of Newport Residents are concerned by this DA. The design does not reflect what we believe Newport is and certainly doesn't meet the Newport Masterplan. Robertson Road is seen as a community get-together hub many times during the year and this would be destroyed if this DA were to be approved. Could you please formally declare Robertson Road the pedestrian plaza that was envisaged a decade ago and don't allow Robertson Road to be damaged by this DA.
