**Subject:** Rezoning of 6 Jacksons Rd, 10&12 Boondah Rd Warriewood

As a Warriewood resident of 36 years, I wish to lodge an objection to the proposed height amendment for these properties. The height of 15m and 18m in the R3 and B2 zones respectively, is out of character for this area. The height limit should be a maximum of 3 storeys in only a few locations at the lowest elevations to preserve the amenity of the area.

I understand that development must happen but it has to be in keeping with the environment and infrastructure.

Yours sincerely,  
Joy O'Neill
