**INSTALLATION OF ILLUMINATED LED SIGNAGE - 16 RODBOROUGH ROAD,
FRENCHS FOREST**

Dear Sir/Madam,

Reference is made to Council's correspondence dated 13 April 2021, regarding the abovementioned Application which was referred to Transport for NSW (TfNSW) for comment.

TfNSW has reviewed the development application and raises no objections, subject to the proposal being designed and constructed to Council's satisfaction and complying with the following requirements:

1. Signage displays must not contain/use:
 - Flashing lights
 - Electronically changeable messages.
 - Animated display, moving parts or simulated movements.
 - Complex displays that hold a driver's attention beyond "glance appreciation".
 - Displays resembling traffic signs or signals, or giving instruction to traffic by using colours and shapes that imitate a prescribed traffic control device or words such as 'halt' or 'stop'.
 - A method of illumination that distracts or dazzles.
2. The sign should not create a distraction for motorists on Warringah Road.
3. All demolition and construction vehicles are to be contained wholly within the site and vehicles must enter the site before stopping. A construction zone will not be permitted on Warringah Road.

If you have any further questions please direct attention to Development Assessment Officer, Shoba Sivasubramaniam, on 0431446623 or email development.sydney@rms.nsw.gov.au. I hope this has been of assistance.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Malgy'.
