**PROPOSED CONSTRUCTION OF NEW MULTI-LEVEL DWELLING WITH CAR HARDSTAND
883 BARRENJOEY ROAD PALM BEACH**

Dear Mr. Philips,

Reference is made to Council's referral, regarding the abovementioned application which was referred to Transport for NSW (TfNSW) for comment under Clause 2.119 of the State Environmental Planning Policy (Transport and Infrastructure) 2021 and concurrence under Section 138 of the *Roads Act 1993*.

TfNSW has reviewed the submitted application and would provide concurrence to the proposed civil works on the Barrenjoey Road frontage under Section 138 of the *Roads Act 1993*, subject to Council's approval and the following requirements being included in the development consent:

1. All buildings and structures, together with any improvements integral to the future use of the site are to be wholly within the freehold property unlimited in height or depth along the Barrenjoey Road boundary.
2. The design and construction of the vehicular crossing, closure of redundant vehicular crossing and associated works on Barrenjoey Road shall be in accordance with TfNSW requirements. Details of these requirements should be obtained by email to developerworks.sydney@transport.nsw.gov.au. Detailed design plans are to be submitted to TfNSW for approval prior to the issue of a Construction Certificate and commencement of any road works.

Please send all documentation to development.sydney@transport.nsw.gov.au. A plan checking fee and lodgement of a performance bond is required from the applicant prior to the release of the approved road design plans by TfNSW.

3. The developer is to submit design drawings and documents relating to the excavation of the site and support structures to TfNSW for assessment, in accordance with Technical Direction GTD2020/001. The developer is to submit all documentation at least six (6) weeks prior to commencement of construction and is to meet the full cost of the assessment by TfNSW.

Please send all documentation to development.sydney@transport.nsw.gov.au. If it is necessary to excavate below the level of the base of the footings of the adjoining roadways, the person acting on the consent shall ensure that the owner/s of the roadway is/are given at least seven (7) day notice of the intention to excavate below the base of the footings. The notice is to include complete details of the work.

4. Any public utility adjustment/relocation works on the state road network will require detailed civil design plans for road opening /underboring to be submitted to TfNSW for review and acceptance prior to the commencement of any works. The developer must also obtain necessary approvals from the various public utility authorities and/or their agents.

Please send all documentation to development.sydney@transport.nsw.gov.au. A plan checking fee will be payable and a performance bond may be required before TfNSW approval is issued.

5. A Road Occupancy Licence (ROL) should be obtained from Transport Management Centre for any works that may impact on traffic flows on Barrenjoey Road during construction activities. A ROL can be obtained through <https://myrta.com/oplinc2/pages/security/oplincLogin.jsf>.
