RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

I strongly object to this development proposal. The construction would not only require removal of bushland on the property itself, but would require further bush removal in the Manly Dam Reserve area.

The area is home to many native birds and animals, and we cannot afford to lose more bushland given the mistakes already made with this area.

I strongly urge you to deny the planning application, until it can prove that there will be no removal of bushland on the property, and definitely not into the Reserve.
