RE: DA2021/0680 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I use Bangaroo street at least 4 times a day and quite often 6-8 times a day. Including morning and afternoon peak times. It is already quite a tricky road especially that roundabout. I've seen many near accidents and a couple of actual accidents including a woman hit on a bike. Allowing 20 additional cars parked on that road in the morning and afternoon is not a wise decision by council. Even worse is that those cars will have children in them and be very dangerous for those children. I don't live on the street so I'm not objecting because of noise, the sound of children playing is lovely. This is a serious safety issue. The government needs to provide proper childcare in proper facilities in appropriate locations. This makeshift solution doesn't isn't fit for purpose and it a little band aid on a huge problem facing this city but in the end will create more problems for the lovely little community we have here in north Balgowlah.
