Good afternoon Panel Secretariat,

Regarding the Land and Environment Court Proceedings No. 2023/109048 (DA2021/2173) - Application for alterations and additions and coastal protection works to Newport Surf Life Saving Club, I wish to advise that I very strongly support approval of this application.

As an active member of Newport SLSC with two school age daughters involved in the Newport SLSC Nippers program I eagerly await completion of the much needed upgrade works to the Newport Surf Life Saving Club to bring the facilities into line with community expectations.

I very much hope that this application will be approved without further delay so that upgrade works can commence in 2025.

Best Regards,

Shannon Reid
