RE: DA2021/1338 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I fully support this submission. Bayview Golf Course is a very important part of this community particularly for the health and well being for many Northern Beaches residents. These proposed changes will greatly improve the playability of the course but will also ensure greater accessibility particularly post poor weather. As a public accessible Golf Course these improvements are for the broader community and not just the membership.
