RE: Mod2015/0152 - 80 Evans Street FRESHWATER NSW 2096

No personal details to be made public as I don't need harassment.

We object to Mod2015/0152 and expect:

No truck noise till 0800Hrs as approved DA2014/0875.

No Evans street DROPOFFS as disallowed in DA2014/0875.

Heights ABC&D to 8.5metres as approved with NO lift runs or other to impede the existing views of neighbours.

Review VIEW ANALYSIS "consultant-speak" and accept that planned lift overruns will obstruct the oceanview enjoyed by some neighbours since 1971 (with a corresponding drop in property value.)
