RE: DA2020/0264 - 57 Myoora Road TERREY HILLS NSW 2084

Whilst there have been other businesses operating out of sites in the past the hours of operation are far too early and late for houses close by and very close to a very busy bus stop. Traffic around the area is huge and with large trucks operating out of site and possibility of a major accident is likely.

I recommend that application for change of use be declined.
