Re: Inter - Allotment Drainage - 21 Wallumatta Road, Newport

Dear Sir/Madam,

Your neighbour's property, 21 Wallumatta Road, has been identified by Northern Beaches Council to be a low-level property, this means that their stormwater is unable to fall to the kerb and gutter by gravity.

We are requesting you grant an easement over your property to formalise a connection of their stormwater drainage to discharge to the Council drainage system in Irrubel Road.

By granting your neighbour an easement, you will minimise the stormwater runoff from their property currently crossing the boundary to your property.

If you do not wish to grant this right to your neighbour, please respond to enquire@taylorconsulting.net.au in writing prior to 9 January 2025.

Should you require any further information, please contact the undersigned.

Yours faithfully TAYLORCONSULTING.NET.AU

D.M.Schaefer - Director B.E Civil (Hons) M.I.E. Aust. N.E.R. NER Engineers Australia
