**RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094**

Personally, I have found great pleasure from the scenic walkway. Particularly sitting watching the pelicans swimming home and at sunset in summer.

Reading through at least 30% of the submissions I noticed that some expressed strong opinions that the development proposal raises conflicts with the natural environment.

The popularity of boating and kyaking, with facilities for storage and socialising was also very apparent.

Naturally, the proposed development has given rise to noise and parking concerns from surrounding residents. These concerns relate to the excessive proposed operating hours and the number of kiosk patrons.

**OVERALL, I OBJECT TO THE PROPOSAL.**

I would like to support DR Judy Lambert's proposal that a more modest proposal be developed.
