Please find my submission regarding the above-mentioned DA application.

I have attached my comments and wish to ensure my **address, name and contact details are not publicly shared**. I work in a sensitive field and cannot have my details made public for my family's safety and privacy.

I contacted both the customer service line and Adam Crow to gain confirmation that my personal details will be kept private. Thank you for your assistance.

Please contact me if you require anything further.

All the best,

25 Spring Cove Avenue, Manly

Use of Premises as a home business

Dear Adam Crow,

I would like to make a submission in support of the DA application for 25 Spring Cove Avenue, Manly - DA2021/2545.

I spoke directly with the applicant about the home business and how it functions; from the purchase of supplies to the preparation and delivery/ collection of cakes.

I believe that a full commercial bakery would invite disruption to our very peaceful neighbourhood. However, this is small scale and I was completely satisfied with the answers provided by the applicant and reassured that this business will have minimal impact on us as neighbours. With most people working from home at this time, I fail to see how this is any different.

For these reasons, I do not object and wish the baker every success.
