RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

The Joey at The Boatshed Palm beach finally opening after a long awaited opening , missing the whole of summer . Our area needs venues to support its residents as we are very limited in our choices . Especially in such an incredible setting. The venue operator's have been extremely sensitive to clientele and residents . It's just too restricted for everyone's comfort . We need feel good places to keep economy and our hospitality staff working . This council is becoming restrictive in any enterprise. Consider the residents and their welfare .
