RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

The estimated building time is probably underestimated and even if it is of the order of 64 weeks this development will cause unacceptable traffic chaos on the bends and on the surrounding streets on the plateau above. This will cause considerable stress and impact negatively on the health of all in the nearby suburbs. This area of bushland should be kept for the enjoyment of all not destroyed for one selfish person's residence. The headland at Palm beach is already destroyed by these sorts of megahouses!
