Hi,
My name is Linda Bennett who is from 56 Ashworth Ave, Belrose. I have been shopping at the Frenches Forest Market for a number of years. I really enjoy buying some organic veg, fruit, fresh food in the market every Sunday morning. It has become a part of my life. I just love it!! I personal believe that trading time starting from 7:30 will benefit to the customers and the traders considering some of traders coming long way to the market. I strongly support opening an hour early.

Kind regards
Linda Bennett
