RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084

I am concerned with the truck entry/exit via Myoora Road, with the school directly across the road and commonly used bus stops on both sides of the road. There is no safe crossing here as it is between the school and bus stop, and having trucks arriving and leaving will create a danger to pedestrians, especially during school zone times. Other than this issue, I am really excited for the redevelopment of Flower Power, and hope this can be resolved
