RE: DA2018/1667 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

Please NBC & all Northern Beaches Planning professionals PROTECT CROWN LAND. Once it's gone we will never get it back. Hold developers who plan to profit from building in our community to account. And ensure there is only ever proper community and council lead planning. Not developer lead planning that doesn't benefit the community now or ever!
