SUBJECT PREMISES:	11 Neridah Ave Belrose
LOT AND DP NUMBERS:	63/-/DP 250561
COUNCIL:	Northern Beaches Council
APPLICANT:	Building Approval Solutions P.O. Box 667, Round Corner, NSW 2158 Ph: 02 8853 9400, Email: reception@buildingapprovalsolutions.com.au

PROPOSED DEVELOPMENT:

Dwelling alteration & extension

Excavated Material, Construction Material & Waste Generated
Will be removed from site

Recycling and cost effective use of all materials, to save resources and minimize waste shall be considered at all times.

All material from demolition
Will be removed from site accordingly

All construction material
(Such as bricks, off cuts from cladding, timber and roofing, excess concrete and colorbond etc)
Will be stored separately in a portable waste bin/s located on the designated construction waste area prior to removal from the site. All excesses removed from site.

Recyclable waste material (Such as cardboard packaging, plastic, metal and glass)
Will be stored separately in a temporary storage wheelie bin or similar for ease of access. The excesses will be removed from site using the curb side collection service of council.

Household waste
Will be stored separately in council provided bins, collected & recycled using the kerbside collection service of council.

Waste - Ongoing operation
There will be no additional ongoing burden on existing council waste services.

Dust Control
Measures to prevent the emission of dust or other impurities into the surrounding environment are not required.
