**RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094**

Having review the documents and being a long time user of North Harbour and the surrounding area I can only see positives to this development.

The existing building and surrounding areas are past their use by date, the development is subtle, takes into account current water and on shore activities enjoyed by locals and visitors. I support this development 100%
