6. RESPONSIBILITIES OF THE PRINCIPAL CERTIFYING AUTHORITY (PCA)

6a) Quality of Service:

Pittwater Council will carry out PCA and inspection services in a professional manner and in accordance with the requirements of the Environmental Planning & Assessment Act 1979 and Council's Code of Conduct.

6b) Site Signage:

Pittwater Council will erect a sign on the site to advise the general public of the contact details of the PCA. The sign will be erected during the Commencement Inspection, on Council's acceptance of appointment as PCA.

6c) Inspections:

Pittwater Council officers will undertake the Critical Stage Inspections of the work during construction and prior to issuing an Occupation Certificate to ascertain compliance of specified stages of construction with the Complying Development Certificate, Building Code of Australia & relevant standards of construction. On appointment as the PCA, Pittwater Council will notify the applicant in writing of the Critical Stage & other Inspections.

6d) Critical Stage and other inspections:

The following stages of construction are required to be inspected by Council (as indicated by a \checkmark in the relevant box).

Note: Council's Development Compliance Officer will complete this section of the form.

- {		
	☐ Footing Inspection (prior to placement of concrete)	
lly .	☐ Slab and other Steel Inspection (prior to placement of concrete)	Office Use Only
Onice Use Only	☑ Frame Inspection (prior to fixing floor, wall & ceiling linings)	
ice u	☐ Wet Area Waterproofing Inspection (prior to covering)	
5	☐ Stormwater Inspection (prior to backfilling of trenches)	
	Swimming Pool Safety Fence Inspection (prior to placement of water)	
	☑ Final Inspection (all works completed and prior to occupation of the building)	

Note: Should the building works be completed in parts & not all aspects of a Critical Stage Inspection be ready, additional inspections maybe required – with a further inspection fee payable.

Eg: If two slabs are prepared at separate times, two separate inspection bookings and fees are required.

6e) Critical Stage and other inspection fees:

An inspection fee is required for each inspection identified in Part 6d of this form.

A separate inspection fee is required for each Critical Stage Inspection. Should works be either incomplete or incorrect at the time of inspection a further separate reinspection fee will be required.

Office Use Onl

Each inspection fee must be paid at the time of requesting the inspection.

Fee Scale current to 30 June 2011

Critical Stage or other Inspection and re-inspections, including Final	\$272	(Code: HINR)
Issue of Interim Occupation Certificate Issue of Final Occupation Certificate	\$375 \$375	(Code: FOCC) (Code: FOCC)

Please note that a failure to give correct notification of required inspections may result in the issuing of a Penalty Infringement Notice (PIN or on-the-spot fine) and/or a Notice and Order by Council and may result in refusal to issue an Occupation Certificate.

6f) Inspection Results:

Pittwater Council will provide written confirmation to the applicant of the inspection results and indicate if satisfactory or if additional works are required prior to reinspection.

7. RESPONSIBILITIES OF THE APPLICANT

7a) Inspections:

A minimum of forty-eight (48) hours notice (excluding weekends and public holidays) must be given to Council to enable the specified stages of construction to be inspected as identified in Item 6 of this agreement.

Should an inspection be missed, the applicant must advise Council in writing (as soon as practicable after the event) of that fact, the circumstances causing the inspection to be missed and supporting documentation for Council's consideration. In such cases, the inspection fee, which would normally have been required, must still be paid.

The applicant must ensure that the Principal Contractor (Builder/Owner Builder) is advised of the required inspections and that the directions of Council's Development Compliance Officers are to be observed to ensure compliance with the Complying Development Certificate, Building Code of Australia and the terms of this agreement.

7b) Booking of Inspections:

The applicant shall request an inspection via Pittwater Council's Inspection Booking Hotline on **9970 1300**. A minimum of forty-eight (48) hours notice must be provided to Council to arrange for completion of the inspection.

At the time of requesting the inspection, Pittwater Council will confirm an inspection time and day, name of inspecting officer and mobile contact number.

Building works must **not** proceed to the subsequent stages of construction prior to obtaining a satisfactory inspection from Council for each stage of construction specified in Item 6d of this agreement.

7c) Site Signage:

The applicant is responsible to maintain the PCA signage provided by Pittwater Council at the site until the work is completed.

The applicant is responsible to ensure that the Owner Builder or Principal Contractor (Builder) provide a rigid durable sign at the site, visible from the public place and maintained at the site until the work is completed. Such a sign shall display: (a) the name, address and telephone number of the person; (b) an after-hours emergency telephone number for the person and (c) stating "Unauthorised Entry to the Site is Prohibited".

7d) Compliance with the Complying Development Certificate:

All works must be carried out in accordance with the terms and conditions of Council's Complying Development Certificate and relevant provisions of the Building Code of Australia and Environmental Planning and Assessment Act 1979.

A Complying Development Certificate must be obtained for any amendments or variations to the development, prior to the commencement of the amendment or variation.

Works not in accordance with the approval and Building Code of Australia may result in the refusal to issue an Occupation Certificate. Council may also serve a Notice and Order to comply with the approval and/or the institution of legal proceedings.

7e) Structural Engineering and Other Specialist Details:

The following details are to be forwarded to the PCA prior to commencement of the relevant stage of construction (as identified by a ✓). The details are to be prepared by a suitably qualified person to confirm compliance with the relevant provisions of the BCA and Australian Standards:

Note: Council's Development Compliance Officer will complete this section of the form.

	☐ Timber framing details including bracing and tie-downs
	Roof construction or roof truss details
	Termite control measures
y III	☐ Glazing details
Jilice Ose Oilly	☐ Mechanical ventilation details
aom	☐ Wet area construction details
)	☐ Details of fire resisting construction
	Details of essential fire and other safety measures
	☐ Sound transmission and insulation details
	☐ Details of compliance with development consent conditions

7f) Certification of Works:

To ensure compliance with the Complying Development Certificate and Building Code of Australia (BCA), the applicant is to provide certification, verifying that the following specialist matters (identified by a ✓) have been carried out.

Each certification must:

- reference the approved Complying Development Certificate number, property address, relevant provisions of the BCA, Australian Standards and approved drawings.
- be prepared by an accredited certifier or other suitably qualified & experienced person to the satisfaction of Pittwater Council.

Note: Council's Development Compliance Officer will complete this section of the form.

Γ		
	Survey detailing building setbacks, reduced levels of floors & ridge by a regis surveyor	stered
	Shoring and support for adjoining premises and structures by a structural eng	gineer
	Contiguous piers or piling by a structural engineer

	Completion of Bushland Management requirements by a suitably qualified pe	erson.
	Installation of Waste Water Management System by a suitably qualified pers	on
	Installation of the inclined lift by a suitably qualified person	
	Installation of sound attenuation measures by an acoustic engineer	

7g) Occupation Certificate:

A *Final* Occupation Certificate must be obtained from the PCA prior to the occupation or use of a new building (or part of a building) or prior to the change of an existing building use/classification. An inspection fee is to be paid to the PCA in accordance with the fee scale in Part 6e of this agreement.

An application may be made to the PCA for an *Interim* Occupation Certificate, which will be considered in accordance with the provisions of the Environmental Planning and Assessment Act 1979 and conditions of development consent.

Only the Principal Certifying Authority can issue an Occupation Certificate and the Environmental Planning and Assessment Act 1979 contains penalty provisions for failing to obtain a required Occupation Certificate.

An application for an *Interim* or *Final* Occupation Certificate must be accompanied by a final or interim *fire safety certificates* as required by the EP&A Regulations, Clauses 80E or 80F for buildings other than Class 1 and 10.

7h) Miscellaneous requirements:

The applicant is required to ensure that valid public liability insurance cover to the value of \$10,000,000 (minimum) is held by the applicant and/or builder.

The applicant is required to notify Council, in writing, of any change in the details or address of the applicant or head contractor.

Pittwater Council may cancel the agreement if there is a breach of the agreement.
