RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106

I am in support of the application. Being an active member of Newport surf club for 15yrs and raising 3 children who have also been through the ranks of the club and are still members. It really is in need of a renovation. It's embarrassing that the amenities for the members are so antiquated. The bar upstairs which I work in is also in need of an upgrade. The kitchen is subpar. The public toilets need to be relocated into the park or near the bus stop in the Carpark to give the club a bigger footprint. I would like to feel proud of my club but I don't. Please proceed with the renovation so we can feel excited to show other clubs what a great club Newport is.
