Subject: re DA 2021/1338

I wish to submit my support for the above DA submitted to the NB Council regarding the drainage improvements and water harvesting on the Bayview Golf Club.

As a resident living adjacent to the Bayview golf course I believe these improvements will enhance the surrounding flora and fauna of the course as well as improve the playing conditions for all the members.

Please advise me of the progress of the DA and we look forward to the council approval being granted in the near future.

Yours faithfully

Brian Cranch
