Subject: DA 2020/008 3 Central Road Avalon Beach .

Peter Squires Unit 6 65 Old Barrenjoey Road Avalon Beach 2107 .

I object to the application for 8 new units at 3 Central Road .

I have lived at my Unit for 26 years and the rear of my unit faces the proposed development .

My objection is for the 8 units to use Paterson Lane for car entry and exit .

Owing to the existing number of cars and to add another 8 units of cars it will be dangerous to pedestrians .

like all units in Central road why not enter from Central Road at the front of their Building .

I consider with the loss of trees from the site I will be looking a very large Building with loss of privacy .

I would be happy for you to visit my unit so you can see and appreciate what the development will do to the site .

Yours faithfully -- PETER SQUIRES
