Ref 'Planning Section 455

Modifications Mod 2021/0983

To whom it may concern

With regards to the proposed amendment to the above development application, I **object** to the increase in size of seating and hours of operation of the proposed cafe. If approved it would be to the detriment of local residents of both Palm Beach and Whale Beach.

There is a huge potential increase in congestion, noise, traffic and parking issues combined with garbage problems from this proposed modification.
