## 21 JUNE SHADOW DIAGRAM - 9am

#### TRUE NORTH:

- NOTES:

   All structures including stormwater & drainage to engineer's details.

   Do not obtain dimensions by scaling drawings.

   All dimensions are to be checked on site prior to starting work.

   These drawings are to be read in conjunction with all other consultant's drawings and specifications.

   All workmanship & materials shall be in accordance with the requirements of current editions including amendments of the relevant SAA Codes of Practice, the Building Code of Australia and local council requirements.

   New materials are to be used throughout unless otherwise noted.

   Concrete footings, slab, structural beams or any other structural members are to be designed by a practicing engineer.
