**RE: DA2021/2567 - 60 Federal Parade BROOKVALE NSW 2100**

Dear Brookvale communitiy and neighbours,  
The manifold submissions presented here in opposition to St Augustine's ongoing commercial motives highlight systemic depletion of our quality of life and the value of our homes.  
I believe we have a strong case for a class action lawsuit against this entity, and their enablers, to halt any further degrading of our local neighbourhood and to remedy much of the damage already caused.

Please reach out if you agree:

Sincerely,
