RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

I am concerned with regard to vehicle access to Whale Beach due to delays or restricted access via the bends.

I object to:

- 1) The development does not fit in with the other dwellings in Bilgola.
- 2) The height and scale of the building is out of keeping with other developments in the area.
- 3) The removal of trees that are habitat for native animals in the bends.
- 4) Closure of the bends for safety and speed of access in emergencies.
