RE: DA2020/1597 - 67 Pacific Parade DEE WHY NSW 2099

To the assessing officer:

I've just moved in this area having bought an apartment.

My really big concerns about this development are:

- 1) I believe this location is not suitable for this kind of development for many social and practical reasons
- 2) I believe increasing population in this area is a mistake as it is already not sustainable for parking and traffic

I would strongly suggest to not move forward with this development.

Regards
Simone
