**COMMENTS:** (You may use the space provided or attach a separate document).

I strongly object to this application because of the massive environmental impact. As a Bilgola resident, I am currently witnessing the destruction of vast swathes of beautiful trees in the surrounding area which needs to be stopped. The natural beauty of the area is diminishing as a result, let alone the animal habitats & impact on fauna & flora. Attunga reserve is an important part of the local eco-system and should be protected for the generations to come.
