**RE: DA2021/0026 - 2 Cullen Street FORESTVILLE NSW 2087**

To the Assessing Officer.

As a resident of Cherana Crescent, we have concerns about the proposed size and height of the new house planned for 2 Cullen Street.

Based on our understanding of the drawings submitted the proposed building would appear to have three levels, which is higher than the surrounding properties and will be clearly visible from the southern elevation.

We welcome the development, however, we also would like to ensure its in keeping with the area.

Regards

Eoin Geaney
