RE: DA2023/0998 9999 The Esplanade FRESHWATER NSW 2096

The car park is full by 8 30 am on a hot day where are the 160 restaurant guests and staff going to park? Surely the council can work that one out.

There are plenty of restaurants in Freshwater catering for all budgets and cuisines - this development is not needed Updating the toilets in the club is all that is required Families come for the beach not to eat.
