RE: DA2022/2081 - 292 Condamine Street NORTH MANLY NSW 2100

I fully support this DA Application.

All the relevant reports have been prepared in consultation with council.

The community is in need of such a facility to service their needs as well as those of the sporting bodies that play within district park and beyond.

Warringah Golf club has worked closely with council and always been open to include participating sports groups in all discussions and plans for the future success of this community club.
