

10 Garigal Place, Mona Vale Fire Safety Certificate

To accompany the Development Application for a Proposed change of use to the existing dwelling to permit business catering

This application seeks approval for use of the existing residential kitchen to be used for business catering purposes. The dwelling is compliant with the required approved smoke alarms and a Fire blanket under the Australian standards. The fire blanket can be located in the kitchen cupboard under the kitchen sink as demonstrated in the image.

A fire safety certificate will be issued (if relevant) as part of any consent.
