RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100

I fully support the DA for the Centre of Excellence at and new grandstand Brookvale Oval.

I played on rugby league on Brookvale Oval in the 1960's and really very little upgrading has been achieved over the past 50 years.

The upgrade will aid in keeping the mighty Sea Eagles at their spiritual home.

the upgrade will foster female participation across many sports due to the creation of separate female change rooms.

The proposed development will provide more, and much better, access for disability patrons to attend sports events, this is bordering on disgraceful if not embarrassing, at the moment.

The proposed upgrades will provide better facilities for all participants and spectators and create more community facilities for events and meetings.

Please consider my submission of support.

Sincerely Ian (Tosh) McIntosh
