Subject: MOD2021/0203 Barrenjoy 1102 road new proposed development next to Barrenjoy House.

Dear All,

As you represent us I would like to bring to your attention the overall outrage your community feels on developers gobbling up this area.

Underneath all the paperwork and graphs and concepts that no-one understands there is an intent on exploiting the Penninsula.

Here are some simple facts for you on the latest DA uncovered :

1. Only three people were given notice of the proposed building next to Barrenjoey House.
2. Barrenjoey House is a Heritage building.
3. So why not keep the same aesthetics when building next door.
4. We are not the Gold Coast.
5. The council did not make this new development public - No-one seems to know about it - it was secretly pushed under our eyes because they knew people would be outraged.
6. This is an important area with historical importance. - perhaps you should all read 'Maybanke Anderson's ' STORY OF PITTWATER. 1770 to 1920'
7. In the 20's and 30's people fought hard to keep the Penninsula free from overdeveloping - that's why we are now surrounded by beautiful natural headlands.

I ask myself can we trust the people that representing us?
